Dear Mr. Thomas:

June 4, 2013, the Bureau of Land Management, Salt Lake Field Office (BLM), conducted a Surface Compliance Inspection on your former mining operation located in T. 10 N., R. 16 W., W1/2 Section 14, SLB&M, serialized U-77761, Rosebud #1 and #2 placer mining claims.

From that inspection it was noted that all the trash, trailers, palletted rock, pallets, banding, equipment and debris has been removed from the area and the BLM would like to thank you for your efforts.

At this time we would like you to contact this office at your earliest convenience to schedule an onsite meeting to discuss the needed reclamation at this location.

If you have any questions, or require additional information, please contact Larry Garahana of my staff at (801) 977-4371.

Sincerely,

Michael G. Nelson
